OCEAN DRIVE CONTRACTING

is established in 2019 as a Sole Proprietorship company, and it is based in Dubai and Abu Dhabi.

ABOUT OUR COMPANY

OCEAN DRIVE CONTRACTING is a general contractor based in Dubai & Abu Dhabi specializing in residential, commercial and industrial construction management. We have a track record of providing quality and on-time pre-construction and construction services.

We excel in creating beautiful, sturdy spaces that feel like home right away, all in accordance with our clients' vision.

In **OCEAN DRIVE CONTRACTING**, We are committed to becoming one of the top companies in our fields by attracting and retaining the best employees and providing 100% customer satisfaction. Since its inception, and we strive to achieve a perfect score in the field of construction for our customers.

Our Vision

Our goal is to be the number one contractor of choice in the UAE, no matter what type of construction project is at hand. We are aiming for the top position, where the bottom line puts us on top of our competitors. We have the skill and will power to achieve this goal. Our mission is to build relationships with customers based on trust, integrity, commitment and respect. We will get there by building long term partnerships and exceeding their expectations.

WHY CHOOSE OUR COMPANY ?

Since its inception in the Emirate of Dubai, we have achieved great successes and this has gained a high reputation in the United Arab Emirates market and made it one of the best companies in contracting field in United Arab Emirates.

Through strategic planning and careful implementation, **OCEAN DRIVE CONTRACTING** care about the quality of provided services during and after the works and delivery on time with a customer relations based on trust and respect.

OCEAN DRIVE CONTRACTING has a broad customer's base and provides the best and most appropriate solutions for their requirements, and we are proud to offer them as distinct and accurate service in the implementation of their requests.

Our Mission

Our mission is to maintain the highest level of professionalism, integrity, honesty, reliability, and fairness in our relationships with our suppliers, subcontractors, professional associates, and customers.

We are committed to bring years of experience to our customers in order to deliver quality projects on time and within budget while creating successful partnerships with them throughout the construction process.

STRATEGIC OBJECTIVES

Keep our work continue on the path of excellence with the same quality and precision to which we are, that we are keen to maintain the quality of service we provide to our clients, and we do this by recruiting employees with high experience and acquisition of the latest technology and high-quality equipment.

■ Raise the efficiency to improve the company

■ Commitment to work accuracy and quality of implementation, considering the work delivered on schedule.

■ Attracting customers by offering thoughtful competitive prices

■ Leadership in providing our customers with consulting and innovative solutions

Integrity

Our Construction business maintains an ethical and professional code of conduct that guides our decisions. We protect our employees, customers, and the business itself. Our company is rooted in integrity and trust.

Care

Our philosophy is to take care of our customers and our employees making their life easier, just as much as we take care of construction projects we work on. Our care manifests by offering exceptional service by getting rid of all the hassles usually involved in building projects.
